We love nothing better than uncovering an amazing new model – actually, that's rubbish, there is something we love better, and that's uncovering four of them. Jessie, Anneli, Amber and Reader's Girlfriend Ami Hannah all make their *Club* debuts this issue. We're sure you'll make them feel very welcome. And the returning girls – Natasha Anastasia, Eve Angel, Angelina & Hailey are all top notch too. Good lord, but it's a fine issue if we say ourselves... ♣

Dear Club,

During a recent trip to the coast I fell in love with this house with open air terraces, set against the sea. I immediately made a call to the local estate agents to set up an appointment to view the property. To my delight, Michelle, possibly the hottest woman on the planet, dropped by to show me the place. There she stood, this brunette goddess with tanned skin, perky tits and long legs wrapped in silk stockings. She was my wet dream brought to life!

Although I'm a successful businessman, I couldn't string two words together and followed her around the empty rooms like a lost puppy. "Let me show you the floor-to-ceiling glass wall in the master bedroom," Michelle purred, unbuttoning the first three buttons of her red satin blouse. She licked her lips, grabbed me by the tie and slowly led me upstairs.

By this time my cock was huge and ready to break through the zip of my trousers. "Wow," Michelle giggled looking at my monster bulge, "I think this house really turns you on."

Right then I knew I had to make my move or always regret letting this golden opportunity pass me by, so I grabbed Michelle's wrists and pinned them against the glass wall in front of us. I leaned in close and began to rub my stiff sword over the curve of her arse. "I like something else much better than the house," I replied, jamming my foot between her stiletto heels to open up her legs nice and wide. She pressed her face against the glass and told me to take her. "Stick your arse out and shake it for me," I instructed her, biting her earlobe and licking my way down her neck until her body was covered with goose bumps.

"What are you going to do to me next?" she whimpered, as long trails of pussy gloss streamed down her inner thighs, collecting in the lace trim of her stockings. I reached my hands around her chest and tore her shirt open, causing pearl buttons to scatter across the marble floor. She gasped, pressing her pert nipples against the wall until two perfectly round smudges decorated the glass.

I cupped my hands over her tits, squeezed her nipples between my fingers and continued to grind my cock against her. Finally, I grabbed the bottom of her tight skirt and rolled the material up and over her bum. Her red knickers were soaking wet in the middle. I clasped the damp fabric between my teeth and pulled down, eventually letting go and snapping her knickers back against her pussy. I did this a few times before tearing the fabric away with my hands. She knew exactly what I wanted to do, bending her legs at the knees and holding onto the wall so I could take her down in standing doggie.

I held her waist and drove my nail into her hole. Like metal to magnet my cock connected to her wet cunt hard and fast. "I can't get enough of your hard cock," she sighed, licking the glass and smacking her arse against me. The sensation of staring down at my dick slamming into this delicious piece of arse spread out before me, framed by the spectacular view of the sea, couldn't be topped – that is until Michelle spun around and fell to her knees to suck on my cock!

She grabbed it in her hand, spit over the entire length and secured her lips around the head. Soon she

ORANGE BOOM!

Dear Club,

I know you do a lot of things with computers these days, but can you settle an argument. I think the oranges on the latest cover (Vol 41 No. 5), which I loved, are attached by glue, Blu-Tac or something similar. My girlfriend, who wanked herself silly over the mag (especially over the boobs of Reader's Girlfriend Emily), thinks they're fake ones you've put on with computers. So, which is it?

Barney, Roundhay

Well, Barney, if we started to glue bits of fruit to models we'd probably get ourselves in a lot of trouble – and slapped by a lot of models! And Blu-Tac just doesn't cut it when it comes to slices of citrus fruits. So, in a rare bit of pulling back the curtain, we can reveal that your girlfriend is right. The piece of orange the delightful Taz has on her tongue is real, the rest the work of our designing wiz Jayj.

FAMOUS FLANGE!

Dear Club,
Glad to see some nude celebs back in *Club*. I still remember buying the issue with the Ginger Spice pics, and another with Anna Friel nude. Most of the time, the films and programmes that girls get nude in are crap, so I'm happy to skip them and just check out the pictures. Keep it up!
Peter, Dulwich

Funnily enough, one of our current editor's early jobs on Club was to do grabs from VHS tapes of celebs in the nude or flashing a bit of boob. It's all a bit easier in the days of DVDs and Blu-ray, so we'll be doing a lot more of it. Check out Carey Mulligan on page 70 of this issue, and let us know if there's anyone you particularly want to see.

was painting my pole with red lipstick rings and circling her hands around my shaft. She gazed up at me with her big brown eyes while strumming my balls with her tongue. "Keep those eyes on me," I insisted, grabbing her face in my hands and watching her mouth slowly move up and down my twitching stick.

We moved into a sixty-nine so I could pull her apart at the knees and lick her clit. It didn't take much to make her cum all over my tongue. When she was done climaxing I wanked my load into her mouth, with the promise of much more to come if she secured the property for me. It wasn't long before I had the keys to my new place.. and Michelle's private phone number.

Fresh-faced debutants of unparalleled cuteness? Yep, Anneli makes it easy for us to keep the *Club* traditions going strong.

"I'm so happy to be in *Club*," squeals Anneli, 20. "It's a dream come true."

Well, the pleasure is all ours. In fact, we're hoping this is the start of a very beautiful relationship.

"You mean you might have me in again? That's amazing! I thought it might be a one off."

We gave you the opening set, Anneli, that's usually a sign we like you.

"Ha ha, I'm so excited. Well, thanks *Club*, and thanks *Club* readers. I hope you'll all wank off over me and shower me with lovely spunk!" ♣

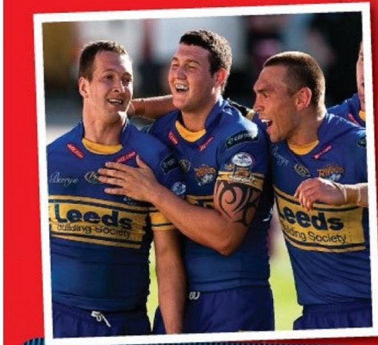
Club's Rough Guide

Exciting sporting occasions seem to be everywhere at the moment, which makes Matt Loxham a very happy man. That, pork scratchings, and the three cans of premium strength lager he has for lunch...



Super League Magic Weekend

Etihad Stadium, Manchester May 26th and 27th

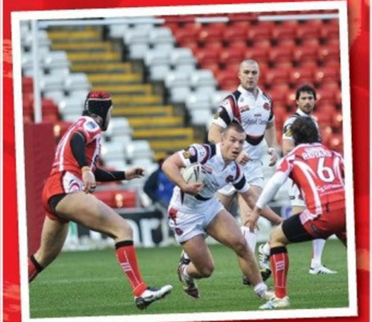
Despite the fact that most people consider Rugby League to be the faster and more entertaining version of the game for men with funny shaped balls, flagging audiences have meant the format has been tinkered and tampered with time and time again over the last fifteen years or so.

Since the boring old RFL Championship became the exciting new Super League back in 1996, there have been numerous controversial changes to the rule book, a switch from a winter to a summer season, teams have been given silly names and drafted in from France for continental appeal.

Some developments have worked, others have failed, and many have pissed off the diehards. However, in the drive to make Super League more popular and appeal to a wider fanbase, one initiative has proved a success – the Magic Weekend.

In a sport that has its fair share of baffling rules and strange stipulations, the Magic Weekend is a refreshingly simple concept. First played at Cardiff's Millennium Stadium in 2007, it involves an entire round of Super League matches being played at the same stadium over one – yes, you've guessed it! – Magic Weekend, three on the Saturday and four on the Sunday. Much icing on the cake comes in the fact that each game is a 'local derby', with each of the fourteen clubs pitted against their sworn rivals.

The result is one big Super League binge which sees fans from all teams flocking to one place to enjoy the action; this year the Magic Weekend will take place at Manchester City's Etihad Stadium in front of an anticipated crowd of over 30,000 fans. If this happened in football... well, there'd probably be a riot.



Stand out games include the in-form Huddersfield Giants versus the 'sort of' home side Salford City Reds, and last year's Super League champions Leeds Rhinos will take on the struggling Bradford Bulls. In arguably the most fierce and famous rivalry in the sport, St Helens will battle the mighty Wigan Warriors.

The Magic Weekend is a great showcase for Rugby League, and a great excuse to sit on your arse for two days doing nothing.

Formula One

Spanish and Monaco Grand Prix – May 13th & 27th

The European leg of the Formula One season begins in earnest at Barcelona's Circuit De Catalunya, and it does so with the drivers' championship race in a fascinating position.

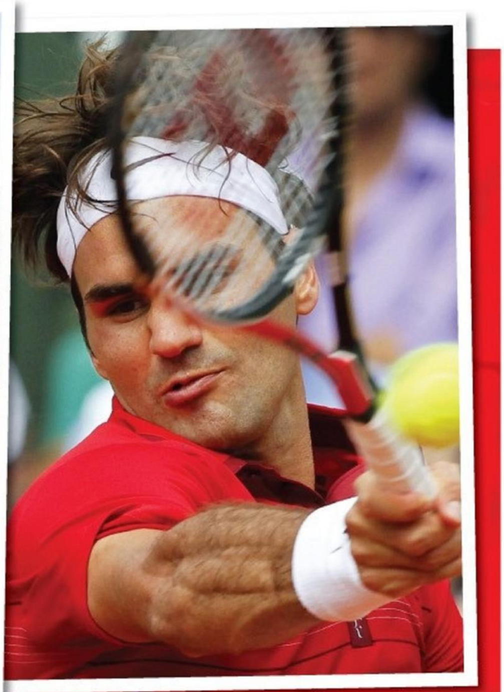
Predictably perhaps, the runaway 2011 champion Sebastian Vettel leads the way after winning last time out in Bahrain, but there's a queue of drivers right behind him, perfectly placed to knock the supremely talented German off top spot.

These include British duo Lewis Hamilton and Jenson Button, who have both made strong starts to the season in the McLaren. Also hot on the heels of Vettel is Red Bull teammate Mark Webber, the genial Aussie no doubt getting a bit tired of playing second fiddle to his speedy sidekick.

Throw into the mix a resurgent Team Lotus with returning Fin Kimi Raikkonen spearheading their challenge, and an in-form Fernando Alonso looking for a good result on home turf in the Ferrari and you've got the makings of what could be a classic Spanish Grand Prix.

Just a couple of weeks later and the Formula One circus winds its merry way down towards the glamorous Cote D'Azur for what many consider to be the highlight of the season, the Monaco Grand Prix.

As much a massive hob nob for the wealthy and the beautiful as a sporting occasion, fancy cunts



that I'm in no way jealous of will knock back champagne on the terraces of luxury apartments whilst the drivers throw their cars around the notoriously tight and twisty Monte Carlo street circuit. For the record, Vettel won both the Spanish and Monaco Grand Prix in 2011, but surely he can't have it all his own way this time around? Expect thrills, spills and plenty of gratuitous shots of hot society slappers in this Formula One double-header.

French Open Tennis

Roland Garros, Paris – May 28th to June 10th

Much like Sebastian Vettel dominated Formula One, Novak Djokovic owned the tennis world last season, winning three of the four Grand Slam tournaments and becoming number one in the world rankings in the process. Significantly, the only Grand Slam he didn't win was this one, the French Open, where he lost to Roger Federer in the semi-finals.

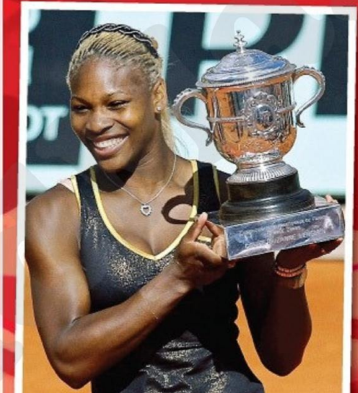
That blip aside, to use the professional term Djokovic 'wiped the floor' with his main rivals in 2011. After despatching Federer in the semi-finals of the Australian Open he defeated Andy Murray in the final, and Rafael Nadal finished runner-up to the Serbian star at both Wimbledon and the U.S. Open. But can he dominate in a similar fashion this year, and can he win on the clay courts of Roland Garros?

Well, Djokovic has begun the 2012 season in ominous fashion, beating Nadal in the final of yet another major at the Australian Open in an epic match that lasted over five hours, the longest in the history of the tournament. However, Nadal recently gained some revenge by comfortably defeating Djokovic at the Monte Carlo Masters – a championship played on clay. The plot thickens...

Although Roger Federer has been enjoying something of a return to form, he was beaten by Nadal at the Australian Open this year, and with that in mind he might struggle to overcome the Spaniard in France on his favoured surface. Conversely, Andy Murray is at his least happy on clay (not that the dour jokc is exactly happy at the best of times), meaning everything points to Nadal and Djokovic battling it out in yet another Slam final.

Where men's tennis is relatively predictable at the moment in that four players tend to dominate the big events, the women's game is wide open, with the likes of Maria Sharapova, Petra Kvitova, Caroline Wozniacki, Li Na and Australian Open champion Victoria Azarenka all in a shoot out to top the world rankings.

> "Men's tennis is relatively predictable at the moment but the women's game is wide open"



On the back of that victory in Melbourne, Azarenka is the current number one, although that could easily change after Roland Garros, especially as she isn't a big fan of clay.

With the Williams sisters both back in the mix and getting back to their best after prolonged problems with injury and illness, the French Open is a real melting pot on the ladies' side, and any one of around ten players have a genuine shout at the title. And if that hasn't persuaded you to tune in, the current top 20 boasts what is possibly the highest proportion of hotties ever in the history of women's tennis (with the shortest skirts). Not that I'm dumbing down the ladies' game of course, it's just an observation... ♣

If there are three words better suited to living together than 'dirty', 'anal' and 'nurses', we'd be very happy to hear them! Another *Club* debutant, Jessie hails from California (as so many amazing girls do), and spends her days shopping, drinking Chablis with her girlfriends and... *really*? Glory holes?

"Let's not exaggerate," laughs Jessie, 22. "I went to one once for a bit of fun. And it was fun. Me and a girlfriend went in this dingy little room with holes in the wall, and the next thing you know there are cocks pointing through them. In porn films, everyone's got a pretty big dick, so this was a real reality check!"

Well, we're not all blessed!

"Actually, smaller dicks are easier to suck deep, so you get the cum faster. But one guy had the biggest dick I've ever seen –probably too big for porn if that's possible! I couldn't get it inside me – it was all I could do to jerk it off. My arm ached after, but he shot so much cum it was definitely worth it!" ♣

Well, we assume that some of the companies banging heads with Apple's iPad series are somehow making money from the thankless task. Why else are companies like Motorola coming to market with Android tablets what seems like every few weeks? Perhaps they're relying on kindly grannies getting it a bit wrong and buying a Xoom 2 as a present, rather than the desired iPad 3. Cue disgruntled present receivers saying "Oh, thanks." That's not to say this is a bad tablet – Android is fine, the look, feel and weight are good – but it doesn't really do anything better than the market behemoth, and it does some things – web browsing, in particular – a whole lot worse.

Pros: Nice design, good camera, inexpensive.

Cons: Shoddy browser, isn't the iPad 3.

Pictures taken by phones aren't very good – and that includes most of the instagrammed cup-a-soup photos that are ubiquitous. On the other hand, high-end cameras are expensive and hard to master. Hence the joy of the Sony Nex-5N. It's mid priced, it's compact and you can swap the lens. Best of all, it's incredibly user friendly, pretty much guaranteeing the willing amateur good photos in return for not too much hard work.

Pros: Excellent features, good results.

Cons: Settings have to be adjusted on screen, which can be fiddly.

It wouldn't be Kit Bag without another iPod dock being given the once over, and this month sees the turn of this beauty.

There are cheaper and way more expensive options available, but at £200 this doesn't fall between two stools, but provides good quality sound and nice looks (although one person in our office absolutely hated it, so it's definitely in the eye of the beholder). Say goodbye to the tinny sound of cheap docks and hello to a solid, warm sound and surprising punchiness, especially on decent bit rates. It'll fit into most decorating schemes as well, if these things matter. Which, if you're married, they most definitely will.

Pros: Will turn your iPod into something that actually sounds great.

Cons: At this price, nothing worth noting. Although if you pay more, you'll get more. ♣

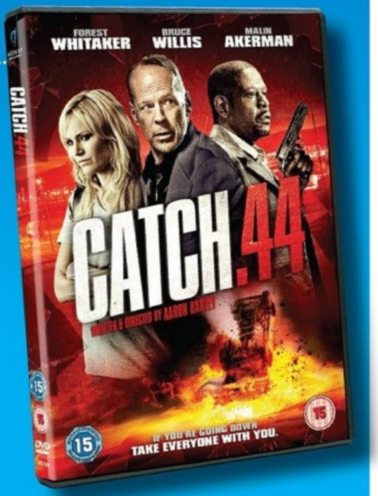
Catch 44

(Anchor Bay, DVD £15.99)



Quentin Tarantino's influence on movies hasn't always been entirely benign – there's a slew of Tarantinoesque knock-offs that are truly risible. But this under the radar gem is shot through with the swagger QT brought to the movies, but wears it lightly enough to get away with it. It's also aided by a solid cast. Bruce Willis plays Mel, a drug lord who sends three female minions to Louisiana to scupper a drug deal. One of those minions being the extremely telegenic Malin Akerman. At the same time, an unhinged killer played by Forest Whitaker draws nearer, triggering an inevitable showdown. With the brilliant Brad Dourif also along for the ride, there's much to enjoy as plans spiral out of control, lots of claret is splashed about and the soundtrack (The Kills, Bowie) propels the action. It's the kind of movie you take home when the big new release you were after isn't available, but you end up glad that it wasn't. Which is exactly what Mr Tarantino was all about.

"A MASTERPIECE
MICHAEL SHANNON GIVES THE PERFORMANCE OF THE YEAR"

Michael Shannon has been winning plaudits for his intense performances in the likes of *Bug*, *Revolutionary Road* and TV's *Boardwalk Empire*, but this might be his finest yet. Directed by Jeff Nichols (who collaborated with Shannon on the brilliant *Shotgun Stories*), *Take Shelter* tells the story of Curtis LaForche, a family man haunted by visions of impending doom. But as his actions become erratic and alienating to his family (his wife played by the ubiquitous and very good Jessica Chastain), we're caught between doubting his sanity and wondering if he might be right after all. A wonderfully acted drama, this is intense, troubling and immense right up to the end. ★★★★

THIS IS ENGLAND '88
"BRITAIN'S MOST ELECTRIFYING TV SHOW"

Shane Meadows has made some wonderful films, *This is England* among them, but fans of the TV spin-off can argue that he's found his true medium in these short series. Savage, beautiful, tender, truthful, unflinching and often hilarious, *This is England '88* finds the same old gang two years older and still dealing with the seismic events of *This is England '86* that split their tight knit group. Great performances abound, but the core trio of Joe Gilgun, Thomas Turgoose and, especially, Vicky McClure lead the way. The swings from comic moments to sheer despair are handled beautifully and there's not a false note from the ensemble cast. Roll on 1990. ★★★★★

A novel take on the zombie movie – a genre we were just beginning to get a little tired of – *War of the Dead* is a Friday night, pizza in front of the telly blast. American and Finnish soldiers find themselves fighting zombie Nazi hordes on the Finnish/Russian border, around a bunker where the Nazis conducted 'Anti-Death' experiments on Russian POW's. Yes, it's silly, but it's zombies leavened with action chops, and great fun. ★★★

So, do you stick with the Swedish original, or the US remake? The spiky Noomi Rapace as Lisbeth Salandar, or Rooney Mara's take? Well, you don't have to choose – you can have both. David Fincher imbues his adaptation of Stieg Larsson's gajillion selling novel with more visual flair than the made-for-tv aesthetics of the OG, but the leads (and longueurs) are much the same. The only false note is Daniel Craig's lone decision to go accent-free. ★★★★

The plot isn't the point in the *Mission Impossible* series (for the record, it's about preventing war between Russia and USA – it's like the 80's again), but how Ethan Hunt and gang negotiate it is. And when it comes to set pieces leavened with plenty of humour (mostly courtesy of Simon Pegg), this delivers in spades. In fact, it's the best of the franchise, with ludicrous scenarios and gadgets beyond the dreams of James Bond's Q. ★★★

A DANCE WITH DRAGONS

For those just working their way through series two of HBO's smash series, don't worry, there won't be any spoilers here. For those reading ahead, this is book 5, and while packed with the characters we know and love (and hate), Martin has been criticised by many fans for not advancing some plot strands quickly enough. In many ways, this feels like a world that will never end – like Albert Square, say – but Martin has said he plans only two more volumes. Still, gripes aside, this is still bloody, visceral, compelling stuff, and it's almost impossible to resist just one more chapter before you turn the light out. Hurry up and get it filmed, HBO.

I hope so. I'd love to be a glamour girl. I'm hoping to do a film and some webcam work.

THERE ARE WORSE WAYS TO MAKE A LIVING...

I'm not too worried about the money, it's more about enjoying my sexuality. I was a bit of a late starter, so I'm throwing myself into it wholeheartedly now.

FOR EXAMPLE?

Well, I just had my first threesome. It was with my best friend and we went to a bar and asked a bloke if he wanted to join us in bed. You should have seen his face! He was as awkward as us at first, but we soon got into the flow of it. Having the taste of dick and pussy in my mouth in the same minute was the best thing ever. I'm definitely doing that again..." ♣

CHEST OF FRIENDS!

Kelly and I have been best friends for a long time but one of our biggest problems is that we're very competitive. At school we would strive to be better at everything from gymnastics to geography and even now we can't help competing for attention. Fortunately we tend to have different tastes in blokes. But occasionally we do go for the same one and then it's just a test of sheer will power until one of us gives up. The other night we tested our stubbornness further than ever before.

We were out on the town having a great time and had knocked back quite a lot of booze when we spotted Rob. He was drop dead gorgeous but I could tell from Kelly's expression that she fancied him too. Without saying a word we both knew a competition was on the cards as we made our way over to him.

Kelly got in first, pressing her tits against his chest as she danced seductively in front of his face. His eyes scanned her chest and he smiled mischievously, grabbing hold of her buttocks to pull her closer. My friend glanced at me, flashing me a triumphant grin. I wasn't about to give up without a fight. I sidled up to him and began moving myself against his bum, sandwiching Rob's body between me and my friend. He turned his head to wink at me and ground his bum harder against my pelvic bone. Kelly was furious and battled for his attention by finding his cock and massaging it to erection. She thought she had him in her clutches, leading him by the hand to the taxi rank. But I followed and once inside the cab, began kissing him, rubbing his prick through his trousers. The lucky bastard must have thought all his birthdays had come at once, with two sexy birds fighting over him.

Fuelled by our competitive natures, things got more intense when we got inside our apartment. "I think it should be up to Rob which of us he fucks," said Kelly unashamedly, obviously confident he'd pick her. We both looked at him, waiting for his next move. He shifted around, his prick keen to be released from his clothing and answered cheekily. "I can't decide yet, I'll have to see more of you." I glanced at Kelly wondering how she'd respond and she defiantly started stripping off her clothes. This was on a totally new level but I wasn't going to submit. I began tearing off my clothes and in seconds we were standing in our living room completely naked.

Rob feasted his eyes on our slim bodies before unbuttoning his trousers and removing his clothes as well. His cock stretched upwards, already excited enough to release a trickle of pre-cum. I was one step ahead of Kelly and seized the moment, dropping to my knees to clean his dick. I'd just begun to circle his shiny helmet when my mate joined in the action. While I worked on his bell-end, she began licking the base of his veiny prick. Kelly moved her tongue to his balls while I took the entire length of his shaft down my throat. Kelly began licking his cock closer to my mouth and before I knew it, our tongues were licking the same part of skin. It felt so dirty

> “I heard Kelly gasp then felt her tongue begin exploring my own cunt”

working on the same man. Kelly must have felt the same and wriggled her tongue towards mine. I can’t explain why I did it, I’d never wanted another woman before, but I was suddenly overcome with the urge to kiss Kelly. I moved even closer and allowed my tongue to touch hers. I didn’t know how she’d respond but she smiled and wriggled her tongue against mine. “Oh yeah, put on a show for me,” begged Rob, glancing between his legs to see us kissing over his cock. Kelly and me had always been open to anything when it came to sex but I don’t think she’d ever been with a girl. However, we were happy to try anything and tumbled onto the floor kissing. Even though we weren’t working on him anymore, we hadn’t forgotten we were fighting for the attention of a bloke, and competed to put on a great show for him.

Kelly pushed me down onto the carpet and straddled my body. She positioned herself so she was squatting over my face and when she leaned down she could reach my cunt. I’d never seen another girl’s pussy up close before and pulled open her folds to get a look inside. Her hole was already wet and I caught a waft of her gorgeous musky smell. I eased a finger into her tight hole and I heard Kelly gasp then felt her tongue begin exploring my own cunt. The sensation was so mind-blowing that for a few seconds I couldn’t concentrate on what I was doing. Kelly’s tongue flicked around my lips, exploring every inch of my pussy. I moaned as she thrust one finger inside and sucked hard on my clit. Rob gave his cock a wank, savouring the performance. While my body pulsated with the excitement in my cunt, I started to work on her. I buried my mouth in her sex and flicked my tongue across her clit. But it was no good, my climax began to build and I knew I couldn’t hold out. I thrust my hips up and down as Kelly continued her tonguing and I was forced to let my head fall from her cunt as I wailed in sluttish ecstasy.

Keen not to miss out, my friend pushed her dripping pussy onto my tongue as soon as I’d recovered my breath and I obliged, sticking my tongue deep inside. She reached down to rub her clit frantically as I built up a steady rhythm in her hole and in a few seconds she moaned that she was coming. My face was covered in her juices as she ground down on me, helping to bring herself off. When her orgasm subsided Rob was ready to fire his load. “Get ready girls, I’m going to shoot on you,” he warned. Still competing, we got to our knees, desperate to be the one to get more cum. We opened our mouths, preparing to swallow every drop of his cream as Rob wanked to a climax and his prick released streams of sticky muck across our faces. We greedily gulped up every bit, fighting to give his pulsating cock a tongue bath. But the night was far from over as we eventually decided it was only fair to get a turn of Rob separately!

BOX OF DICKS!

I’m not ashamed to say I’m a big fan of sex toys and over the years have built up quite a collection. Each gadget has its own story, but my latest lifelike rubber cock has the most interesting. Until last week I’d only ever used the gadgets on myself (or had other blokes try them out on me) but my newest dildo made its debut on someone else – a bloke! I copped off with Danny after a drinking session in town with mates. We were both pissed when we got back to my flat and wasted no time in getting down to business.

I’m not one of these girls who disapproves of one-night stands – in fact I get a kick out

of sex with strangers – and was raring to go when we tumbled onto my bed. The thing I like most about fucking new people is that you never know what they're up for and, as Danny proved, I'm often pleasantly surprised. Fuelled with drunken lust, we tore off our clothes and began exploring each other's body. Danny hands were all over me, groping my big tits and rubbing my nipples hard. I straddled his body and he pulled me forward to catch my heavy swinging boobs in his mouth. I clung to the bedpost while he sucked and chewed on my big nipples, making me more and more horny.

> "I spent a few minutes licking his heavy balls while wanking his prick"

I watched as he buried his face in my heaving chest and I felt my pussy start to drip excitedly. I resisted the temptation to simply sit back and swallow up his throbbing cock in my tight fanny – instead deciding to first treat him to a blowjob. I love giving head. I love to take a huge pulsating cock in my mouth and give it a long wet wank with my throat and lips and Danny was only too happy to thrust his in my face. I began by slowly lapping at his bulbous bell-end, gently pulling back the foreskin to stimulate his sensitive flesh. Danny groaned loudly and the eye of his prick leaked a dribble of salty pre-cum onto my tongue. Keen to prolong his excitement, I licked my way down to the base of his thick muscle and, prising apart his legs, moved onto his spunk-filled balls. I spent a few minutes gently kissing and licking his heavy sacks while using my hand to expertly wank his veiny prick.

As my tongue moved further under his balls, Danny began panting quietly and when I reached the smooth bit of skin leading to his bumhole he whimpered in ecstasy. I'd never done it before (although plenty of men had done it to me) but it suddenly dawned on me that Danny might like me to lick his arsehole. It always blows my mind when men shove their tongue into my tight ring-piece, and I'd read that lots of men like it too so I decided to give it a go.

Danny opened his legs wider, encouraging me to continue, and I gently circled his puckered entrance with my stiff tongue. His whole body quivered, begging me to go further, and I applied more pressure until his muscle loosened up. Danny shuddered when I eased the tip of my tongue inside and it was at that point I came up with the idea of using my new sex toy on him.

I surfaced from between his legs. "Kneel in front of me, so I can reach you better," I ordered and he did as I asked. I reached under the bed and pulled out the dildo I'd been planning to use on myself. I wasn't sure how he'd react so decided not to show him the rubber cock, instead spreading some lube from my snatch over the tip and stroking it over his pink rose. The whole role-reversal thing (with Danny bent over offering me his arse) was so horny and my cunt ached with excitement as I carefully nudged open the entrance to his tight hole.

Danny must have realised what was going on when I flicked the switch and the vibrator

buzzed into action. I moved it from his bum to his balls, allowing it to tickle his soft skin, then took it back again, over and over until he was grunting with pleasure. He let me ease the tip a little way inside his arsehole so it stretched his entrance wide open. I was careful not to hurt him but gently pushed it in and out until the stimulation was just too much for him to bear.

Suddenly, he threw me onto the bed and thrust his cock hard into my soaking cunt. The foreplay seemed to have done the job – he went fucking wild, ramming his prick so far inside me I thought I'd black out. Needless to say, it wasn't long before I was cumming hard against the dick that skewered me to the bed. And when I'd finished my marathon climax, Danny eventually got to fire his cream. He gave a few final hard thrusts into my tight hole then pulled out and milked every drop of his load all over my big tits and face. Before leaving, Danny made me promise to show him the entire contents of my toy box the next time we get together – I can't wait.

PORN STAR GRAVEYARD

Where we look back at the cock-slurpers who have become angels...

Kandi Barbour

Born Linda Jean Smith in 1956, Kandi Barbour was a popular model, porn actress and exotic dancer throughout the 70s and early 80s. Starring in classics of the time like *Neon Nights*, *Small Town Girls* and *The Pink Ladies*, Kandi was a regular feature on the covers of men's mags of the time, with her teeny tits and big puffy nips. She did hardcore and softcore, looked pretty damn sultry, and while never scaling the heights of porn superstardom like some of her peers and co-stars, she made a decent career of it. Sad then to report that in January of this year, 55-year-old Kandi was found dead on a San Francisco street, having been homeless for a number of years. Alas it would seem that the industry she retired from back in 1984 didn't have much in the way of a pension scheme. It's worth stars currently working in porn bearing this tragic fact in mind, that you DO (in most cases) get used up and thrown out when you're not looking your best any more. HAVE A BACK UP PLAN, GUYS. Seriously, we don't wanna be reading about more tragic stories like Kandi's. RIP, Pink Lady.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Nastassja Kinski

For men of a certain age (i.e. mine) just the words Nastassja and Kinski spoken in quick succession can cause a bell-end chafing boner in the jeans department. Back in the days before t'internet and Channel 5, you took your flagrant nudity where you could get it, and this German/American daughter of nutjob actor Klaus Kinski had no qualms about disrobing in her sensual films of the late seventies-early eighties. That said, her early nude scenes (in Hammer Films' *To The Devil a Daughter*) were only just legal, and she started a love affair with well-dodgy film director Roman Polanski (yeah, him who's still not allowed back in America) when she was just 15. It was his film, *Tess*, that made her famous back in '79, and she was bloody lush in *Cat People*, *Paris, Texas* and *Maria's Lovers* (in which she has a right old wank). But her career went off the skids by the nineties, and alas the now-51-year-old isn't the fresh-faced ingénue she once was. But yeah, I'd still give her one. And so would you.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

GAME OF BONERS

HBO's *Game of Thrones* goes from strength to strength, offering lashings of sex and violence of the sort that makes Tolkien's fantasy world look like the *Magic Faraway Tree*. And saucy Turkish actress Sibel Kekilli has gone from bit-part prossie in season one to full cast member in season 2, playing Shae. Before that, she had a breakout hit in her native Turkey back in 2004 with the award-winning film *Head-On*. But what she usually leaves off her CV are the nine pornos she made before *Head-On*. Yep, Sibel is one of those rare actresses who has successfully segued from filth to mainstream acceptance (albeit pretty filthy mainstream) and we're very proud to see one of our own doing so well. Let's hope more cock-slurpers follow in Sibel's wake. Please?

SLEDGE HAMMER RIP

"He's a giant teddy bear, a real nice guy," said porn director Bobby Manila of legendary woodsman Sledge Hammer, who passed away on April 12th of this year after being repeatedly Tasered by police after suffering a severe anxiety attack at his LA home. He'd fallen on hard times, with work having dried up in the last few years, and his frequent marijuana use had reportedly made him paranoid, but witnesses at the scene claim that 39-year-old Sledge (real name Marland Anderson) was in no way a threat to the police, in spite of his size, and it was likely his muscular frame that intimidated them into resorting to Tasers. Unfortunately, he suffered a heart attack and went into a coma as a result, never to wake again. The porn community is in shock, and at the time of writing no verdict has been reached on the inquest into his death.

THE BIT ABOUT BABES WHO LOVE TO BLOG…

Tanner Mayes is 22-years-old, the proud owner of an XBIZ New Starlet of the Year Award (2010) and was born in a town called Adrian in Michigan. Can't think of anything else you'd want to know about her… Oh hang on, she's a sex-obsessed crazy-ass porn slut with a potty mouth, pert norks and the kind of face the lord God above has no choice but to plonk straight onto the heads of women who fuck for a living. Spend a little time following her on Twitter and your feed will fill with outbursts of the explicit variety, and she recently gave out her gmail address asking for guys to send her pictures of their cocks. Judging from her response on Twitter, many complied. Was I one of them? Hell, maybe. Anyway, here's a little sample of the strumpet's micro-bloggage:

"I'm going to work my abs out with my most-efficient masturbation technique. I need to cum like, 3 hard times for a good rep."

"Sometimes my stomache burns so bad while Im clenched up rubbing my clit like an animal, i have to collapse cuz my cunt wont cum"

"I hate those dreams you think ur about to nut in....& it's always that deep, multiple, MOST best orgasm feeling evarr... then ur eyes open."

Follow Tanner at *www.twitter.com/TannastyMayes* for more of this kind of mayhem, and be sure to ask her if she wants to see your penis. She seems to like penises.

Top Five…

Babes of American Pie

The reunion film is out on DVD soon. Let's celebrate our fave pie-holes…

5: Tara Reid
This boozy party-monster wound up in the tabloids for all the wrong reasons, but back in 1999 when the first film came out she was fresh-faced and well fit. Those epithets no longer apply, sadly...

4: January Jones
The gorgeous *Mad Men* star got down to her bra in the 2003 *American Pie: Wedding* film (no, we didn't see it either) so we can justifiably show a saucy picture of her here.

3: Alyson Hannigan
This cute redhead with a penchant for sticking flutes up herself at bandcamp has had a successful career outside of the *American Pie* franchise, most notably as Buffy's sidekick.

2: Mena Suvari
Doll-faced Mena made her name appearing in films with 'American' in the title ('Pie', 'Beauty') and looks super-great in skimpies. Now can we see her in *American Nude Sexfest* please?

1: Shannon Elizabeth
Remember tugging one out to her frigging one out in the first *American Pie* film? Yeah? You can still do that. It's called a Nostlgiowank. Go on, give it a try.

THE

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

The first time we saw Carey Mulligan on screen, we knew she was going to be something special. It was in *Doctor Who* – in fact, it was in *Blink*, the finest *Doctor Who* episode EVER! – and her character Sally Sparrow came off like a Doctor's assistant in waiting. According to rumour, she was offered a regular spot, but wisely declined due to nerd-allergy. And look at her now – big box-office, marrying a bloke from Mumford & Sons, Oscar nominations. BAFTAs, the works. But this isn't Wikipedia, this is Globe Theatre, a guide to where you can see the genitalia of famous actresses and pop stars. So for boobage can we guide you towards *The Greatest* and *When Did You Last See Your Father?* But brand new to DVD and Blu-ray is the excellent *Shame*. Worth seeing for Michael Fassbender's brilliant lead performance, of course, but even more because Carey gets the lot out. Seriously, the lot. ♣

THUMBS UP!

When I was younger I used to do a lot of hitchhiking, so now that I'm older I always stop when I see someone trying to thumb a lift. Earlier this summer I was on a long drive up to the far north of Scotland and I stopped just outside of Edinburgh to give a lift to a Spanish girl called Juliana. She was a classic Mediterranean beauty with brown skin, long black hair, really dark eyes and a huge pair of boobs wobbling beneath her white T-shirt. She was wearing really skimpy cut-off denim shorts and I was thinking about her pussy from the second I saw her standing on the side of the road.

Her English was terrible so I soon gave up on conversation and turned on the radio. After about ten minutes of driving with no chat she pulled out a packet of cigarettes and asked – with hand gestures – if she could smoke. As an ex-smoker I still like the smell so I signalled that I was fine about it. She lit her cigarette then leant over and very seductively kissed me on the cheek. "Thank you lots," she said in her broken English and then she ran her hand slowly along my thigh and gently squeezed my dick through my trousers for a few seconds. Then she broke away, leaned back into the passenger seat and enjoyed her smoke.

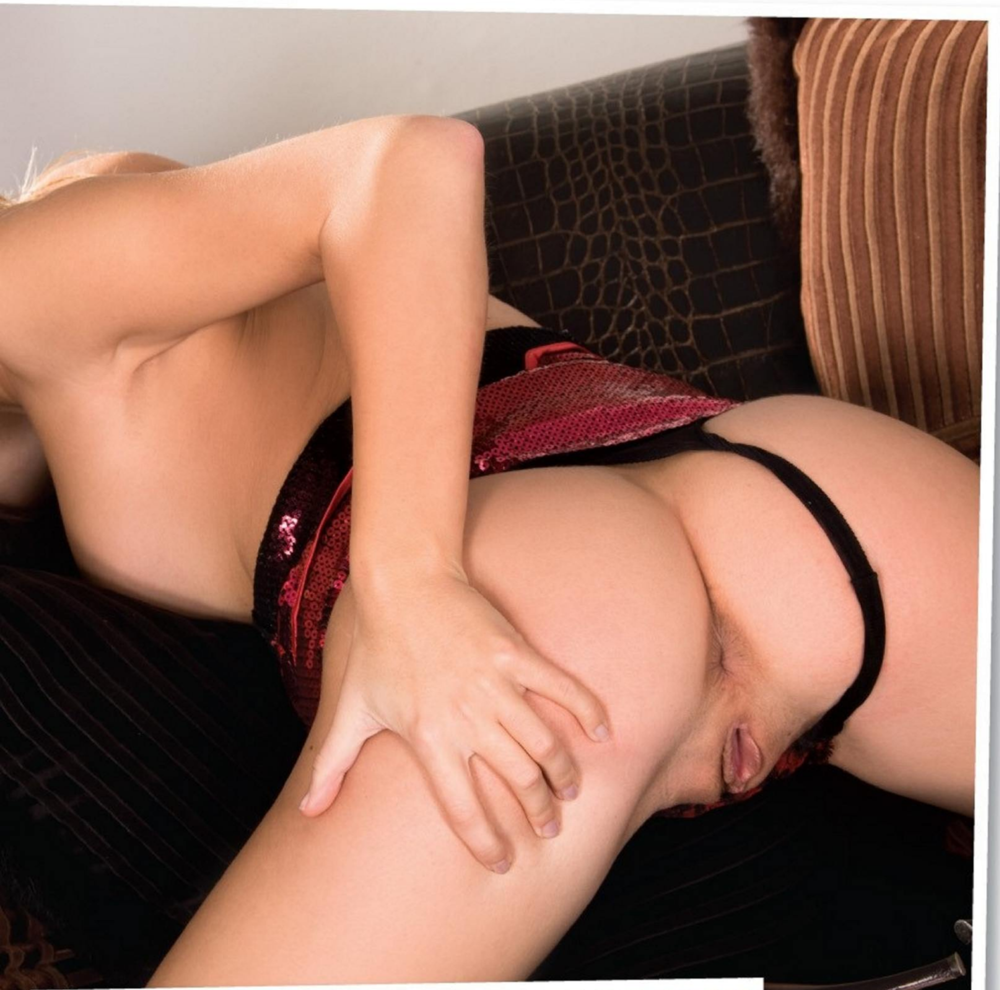
Taking the quick rub of my dick as a clear come on, and not wanting the moment to pass, I reached out to stroke her right breast as best I could with my left hand, whilst keeping my right hand on the wheel and my eyes straight ahead. She made no effort to stop me fondling her and I couldn't believe my luck as I started to think about where I could pull in and best enjoy this hot young Spanish beauty.

When she had finished her cigarette she flicked it out of the window, leaned forward and undid her bra. She lifted my hand under her T-shirt to help me and I started rolling the one nipple I could safely reach between my thumb and her finger. "Oh, this gooood," she moaned and then she parted her legs as much as was possible. Becoming really turned on, I put my hand between her legs and rubbed the thin piece of denim that made up the crotch of her shorts firmly against her clit. She continued working her nipples with both her hands as I moistened up that delicious Spanish pussy with my left hand for several minutes. She was starting to get really wet and my dick was almost bursting through my jeans as she slid about on the chair.

After a few moments of stroking and rubbing her cunt as best I could (whilst still concentrating a little on my driving) we came up against some road works and I started having to use my left hand to go up and down through the gears, leaving her pussy unattended. Juliana, however, was in no mood for thinking about road safety, so she removed her shorts and pants and started playing with her clit for herself. I was desperate to start pounding that pussy, but I was in a stream of slow moving traffic, winding through traffic cones and there was no way off the road.

Juliana kept giving me her fingers to lick then going back and working some more at making her hole dripping wet and ready for me. She tasted fantastic and she soon started rubbing my hard-on with her right hand whilst frigging herself with her left hand, constantly stopping to get me to taste her pussy juices. She took out my cock with her right hand and started wanking me as I kept my eyes on the traffic ahead. She then scooped up some of my pre-cum in her fingers. I expected her to put it in her mouth, but instead she smeared it onto the top of a bottle of water that was in the drink holder by the gear stick. She stuck that bottle up her pussy with her left hand and steadily frigged her clitoris with her right hand. Doing her best to make me crash the car, she kept handing me the bottle to lick up her pussy juice, whilst she occasionally took a break and used her hands to tug me off for a moment or two.

Eventually she settled on sliding the bottle in and out of her pussy with her left hand whilst slowly and expertly rolling my foreskin up and down with the fingers of her right hand. When we got to the other side of the road works she undid her seatbelt, leant over and started sucking me off as I speeded up along the now fast road ahead. She certainly knew how to give head and licked and sucked on



my bell-end for all she was worth. Suddenly I came upon a lay-by and I almost crashed the car as I swerved in. Juliana looked up from gobbling my cock to see why I had stopped. "Ah, good idea," she said grinning at me. Then she opened up the passenger door and strode off into the trees at the side of the road. She still had no pants on and she lifted up her T-shirt to make sure I could see her bare arse wobbling off to find somewhere to let me fuck her.

Juliana lay down on a patch of soft ground just beyond the view of the traffic and opened her long, well tanned legs, as far apart as they would go. Her sodden cunt looked perfect and she started gyrating her hips in a circular movement for me. I dived in straight away and started pounding that pussy so fucking hard she had to hold onto a tree root behind her head. Then I turned her round and started pumping that gorgeous Spanish cunt from behind. She was shouting out, "Oh yes, fuck me, fuck me," with every thrust I made, and she pushed as hard as she could against my groin, savouring the feel of my rock hard cock driving in and out of that warm hole of hers. I held onto the back of her neck with my left hand and slid my right hand underneath to start frigging her clit in time with my thrusting. She started to cum almost straight away. Her whole body twitched and shuddered like crazy and her cunt was contracting hard against my knob, desperately trying to squeeze out my cum for her internal pleasure. I managed to hold back from shooting my jizz deep into that gorgeous Spanish gash and then I waited until her body relaxed after her orgasm was finished.

I rolled her onto her back and removed her T-shirt. I leaned over her and wanked my sperm into her mouth, over her breasts and onto the neatly trimmed triangle of dark pubic hair above her pussy. The white cream looked fantastic against her tanned skin and she gobbled up all the cum in her mouth then scooped what she could from her boobs and fanny and eagerly swallowed that down as well. She took my semi and sucked it long and hard and deep, just to make sure there was none of my juice that she was missing out on.

Once she had sucked me back to full hardness we were clearly both ready for a touch more, so Juliana pulled my cock out of her mouth, turned over and stuck her pretty Spanish arse high into the air. Her face was lying against the ground and we both knew exactly what she wanted. She worked her bumhole with her fingers whilst I teased around her anus with my tongue, gently biting her and making sure those fingers had enough saliva to prepare that hole for me. She slid her hand in and out, moaning and groaning like a proper little slut, seemingly begging for me to ram my stiffy right up her special place. My cock was still so slick from her saliva and pussy juices that I slid effortlessly into that tight firm hole like my dick belonged in there. I shoved against her bum cheeks for a couple of really hard thrusts then I shot a second load of spunk right up

> **"She worked her bumhole with her fingers while I teased her anus with my tongue"**

> “I slid my solid meat down the crevice between her greasy globes”

her arse nearly straight away. I was going to pull out, but she held me inside, clenching her arse walls until I got hard again, stirring my jizz in her arse while she came again and again. I lasted longer this time, reaming her bum balls deep, Juliana tightening around me to coax out my third load. I pulled out and lay on my back, positioning my head beneath her warm dripping wet pussy - after all, I had to make sure that her cunt wasn’t missing out on the action. I gave her clitoris some really intense sucking and probing with my tongue. Then I brought her to yet another orgasm with a combination of three of my fingers working her bumhole, my tongue against her clit and my other hand on her pussy.

It wasn’t the last time Juliana and I fucked on that long journey north, but the story of what happened in the petrol station toilets will wait for another letter.
Winston, Lancaster.

ANAL MON AMOUR!

I was loving the way this girl’s bum was shaking and shuddering as her pussy slid up and down my pole. The piece of arse in question goes by the name Jennifer, and she was riding my rod cowgirl-style, so I could get a handful of that curvy rear as it eclipsed my horn. I spread her bumcheeks and thumbed her crack. She groaned when I corkscrewed a couple of fingers into her bumhole. “Oh fuck, I want your big cock up there – stick it in my arse!” she pleaded.

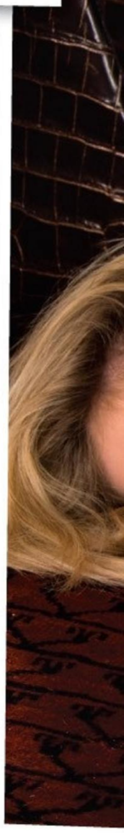
Jennifer’s potty mouth is one of the two things I like most about her, the other being her peachy derriére. And when you find a chick who likes to take it up the dirtbox, that’s well worth writing down in a letter!

“You want it? Tell me you really want it!” I teased.

“I want it. I want it in the arse!” Jennifer purred as her cunt muscles released my prick. I gripped the two hemispheres before plunging two fingers into the mouth of her secret canal. The hole itself was tight, but inside her most intimate cavity she was nice and roomy. I guess we were both loosened up by the amount of alcohol we’d drunk.

On this occasion I decided I was going to loosen her up a bit more, and slipped out to the bathroom for a tube of lube. When I returned I was welcomed by the sight of Jennifer sprawled spread-eagled on the bed, strumming her binary system – cunt and arsehole! Lifting her legs, she grabbed my semi-stiffy between her feet, before taking me in hand and stroking me hard. My dick was still sticky from her pussy cream. “Make it hard,” I panted as I fell onto my knees, my knob pointing like a divining rod towards her mouth.

Now, Jennifer’s a girl who also loves to give blowjobs. She’d get down on her knees and worship my totem pole, her lips and tongue casting their spell, until my snake had uncoiled right down her throat. “Suck it – keep sucking it,” I hissed, as I grabbed her by the hair and started fucking her face, my hard-on feeling virtually hard enough to split her arse in two.



I held her tight, her face buried in my pubes. After ten seconds or so I let go. Her head recoiled from my cock, and as she gasped for oxygen, I made a dive for her cleft. You'll know what I mean when I say she smelled like a real woman. I rimmed her puckered portal, probing her starfish with the tip of my tongue. Her musky flavour always made me horny.

She was crouched on her knees, her head buried in a pillow, her arse sticking up in the air, the fine hairs that lined her fissure all matted with my spit, her brown eye winking like a pulsar. I squeezed some lube onto my fingers and rubbed it into my taut helmet. Then I took a wad of the cool jelly and massaged it into Jennifer's anus.

I slid my solid meat down the crevice between her greasy globes, until my cockhead was nudging her anal flower. Holding her hips steady, I pushed forward, squeezing my helmet into her flexible sphincter. Her bumhole relaxed, and she reached around to guide my probe towards her gaping black hole. "Please fuck me," she whimpered.

As soon as I felt her hole spasm I gave it one brutal lunge and drove my dick deep into her dark matter. I was inside her most private place, and she screamed the house down. "Fuck me, fuck my arse!" Frantic to fuck her senseless, I soon let rip. My hips thrusting back and forth as my cock pumped her rump, her elastic ring clinging to my shaft as I piledrived her backdoor; faster, harder, deeper, filling her fundament to the hilt, until Jennifer was reduced to a trembling wreck desperately clawing at her clit, a mad bitch howling at the moon.

Her orgasm was a rollercoaster ride ever threatening to shake the protein loose from my balls, but I clung on, teeth gritted until her maelstrom had passed. And as soon as her clenched rectum released my cock, a shower of spunk splattered down like shooting stars all over her quivering booty. Definitely something to write home to the wife about!

EVE ♣

Purple penis eater...

Eve Angel, or Eva Shine as she sometimes calls herself (these porn stars!), isn't just a glamour legend, she has a rep for giving one of the best blowjobs in the world – even if she stubbornly refuses to do it on film anymore. She's been girl only for yonks after starting out her career with DP's.

"I got that out of my system early," says Eve, "but don't think I still don't love cock. I fuck as many as I ever did, and I still treat every one of them to a deep, lavish, long and very sloppy blowjob. My current thing is deepthroating then snaking my tongue out over a guy's balls. They go crazy and shoot more jizz than ever!" ♣

EVE

What our well-placed moles are telling us this month...

DOWN THE WIRE

TIPPED OFF!

Hell hath no fury like a woman scorned, and Sinead Walker of Bath proved it when she tried to bite her ex-bloke's cock off after a row. Walker had been kicked out of the house after assaulting Vincent Rennoldson at his flat, but returned to apologise. He let her in, and after she kicked off again, he called the police. While he was on the phone to the old bill, Walker yanked down his boxer shorts, attempted to pull his penis off, then bit into it, leaving him with a 3 inch scar. She claims the injuries are a result of vigorous lovemaking, but his screams of agony on his 999 call were played to the court. "It has affected me – I was watching *Jaws* the other night but had to turn over," Rennoldson said.

I mistook it for a sausage roll!

Too late to cup it now!

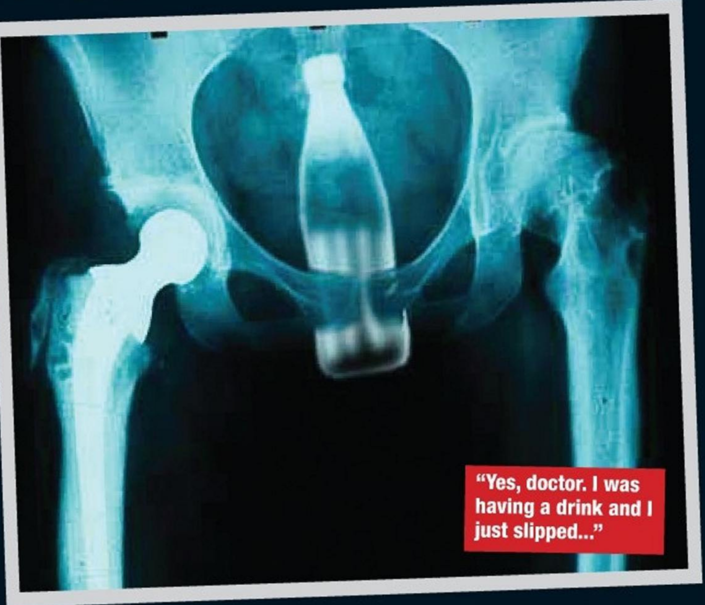
PISS OFF!

Staying with urine news, keep Sergio Valderrain in mind when it comes to nominations for father of the year. His wife Jennifer woke in their Phoenix, Arizona home to what she imagined was the sound of running water in the kitchen. Oh no. The source of the sound was actually her charming hubby emptying his bladder over the face and body of Grayson, their infant son. Sergio later claimed he was drunk on Four Loko (a foul alcoholic energy drink once banned in several states) and thought he was standing over the toilet. His wife, however, told the authorities he was laughing and said, "Now Greyson has something to remember his dad by." Heartwarming stuff, we're sure you'll agree.

Warning: may make you piss on children.

TAKING THE PISS!

We can see why criminal masterminds are so popular in movies – who wants to watch a film about the criminal morons who populate this column? Mischelle Lindy Salzgeber of Dade County, Florida, on probation for selling stolen property, attempted to fool a drug test with the old urine switcharoo. But her method was unique – a body scan revealed a small vodka bottle full of someone else's urine tucked away inside her vagina. As a double whammy, it turns out that the fake urine failed the drug test anyway. Genius.



"Yes, doctor. I was having a drink and I just slipped..."

911 IS A JOKE!

Hey, criminals, here's a tip: When in the process of committing a crime, it's not a good idea to call the police. Michael Gorneau, 46, of Connecticut was attempting to steal 700lbs of scrap metal from a business but in the process of crawling under a fence his phone accidentally dialled 911 (the American version of 999). As all the operator could hear was muffled background sounds, an assumption was made that there was a medical emergency. The phone was GPS located and emergency services turned up to find Gorneau loading scrap metal onto his pick-up truck. He was charged with third-degree trespassing, sixth-degree larceny and first-degree being a total plum. ♣

Hi. Please come and arrest me!
